## MICHAEL LANZETTA

*From his simple beginning as an amateur producer-turned-DJ in South Jersey, to currently rockin' some of the hottest clubs, bars, and lounges in Philadelphia, Atlantic City, and Southwest Florida, DJ Hooks has routinely captivated his fans for more than 20 years making them sweat on the dance floor. Drawing influences from old school hip hop, house, classic rock, oldies, funk and soul, his quest to become a DJ led him from playing at frat parties in Jersey to crossing borders into Areito, Punta Cana's most popular night club. Acquiring a love for hip hop at a young age, DJ Hooks attended many shows, open mic nights and concerts. A particular night in Philly he got the chance to see DJ Premiere...and well, it was all up hill from there. His dreams of moving thousands on a dance floor began. He started soaking in as much of the music industry as he could and has since actively pursued his addiction to music. Getting his first major gig in 1998 at Zoom, DJ Hooks quickly turned a quiet Margate, NJ hang out into the hottest night spot at the shore. With his late 80's and early 90's hip hop inspiration along with his broad musical taste and experience and obsessively extensive library, DJ Hooks has found success in his versatility and ability to feel out the crowd and keep them moving all night long.*

*Being well-versed in a variety of techniques and genres, including his own productions and remixes, DJ Hooks has risen to the top of the charts. Famous for his exclusive mash-ups, he garnered the top spot in DJ record pools. From a time when vinyl ruled the industry to a now all-digital experience, his passion and deep interest in music keeps him on top of the game. Starting Get Hooked Entertainment in 2011, DJ Hooks has rocked the biggest of mainstream venues to private parties, promotional events, weddings, proms, and corporate parties. Often quoted as lucky to make his dream come true, DJ Hooks has become unstoppable.*
